**Re: United States v. Norford
23 Cr 221 (PAE)**

Dear Judge Engelmayer:

I write to respectfully request the Court remove Mr. Norford's bail condition of home detention enforced by electronic monitoring. Neither Probation nor the Government object to this request. Mr. Norford has two jobs, neither of which are entirely stationary. Also, one of his jobs requires four overnight shifts per week. Given the nature of his work which makes electronic monitoring difficult for Probation, the length of time he has been subject to home detention, and the parties agreement that this condition is no longer necessary, the defense respectfully requests the Court so order this letter. Thank you for the Court's consideration.

Respectfully submitted,

/s/

GRANTED. The Clerk of Court is requested to terminate the motion at Dkt. No. 40.

SO ORDERED.
